

APPLICATION FOR ALTERNATE EAGLE AWARD MERIT BADGES

INSTRUCTIONS

This application includes the necessary information to properly apply for alternate merit badges on the route to Eagle. Below you will find the steps to follow from the initiation of the application to the awarding of the Eagle Award.

1. The unit leader (Scoutmaster, Coach, or Advisor) initiates this application on behalf of a Boy Scout, Varsity Scout, or qualified* Explorer (candidate).
2. Follow the instructions stated on this application to determine the alternate merit badge(s).
3. Secure a clear and concise medical statement from a physician licensed to practice medicine concerning the Scout's disability.
4. A conference is to be held by the unit leader and unit committee chairman with the candidate and his family present. They determine the alternate merit badges for those requirements which physical or mental disability prevents him from doing.
5. The district or council committee then reviews the proposed alternate merit badges. (If approved by the district, its recommendations would be forwarded to the council committee for final approval.)
- 6. After council approval, the candidate starts to qualify.**
7. Upon completion of the Eagle rank requirements, using the alternate merit badges, the candidate appears before the board of review. This application is attached to the Eagle Award application.
8. Following a successful board of review the council processes both applications and forwards them to the National Court of Honor. The local council action on the use of alternate merit badges for the Eagle Award does not require National Council approval.

5. The candidate must complete as many of the requirements of the required merit badges as his ability permits.
6. This form, Application for Alternate Eagle Award Merit Badges, must be completed prior to the candidate's qualifying for alternate merit badges.
7. The alternate merit badges chosen must be of such a nature that they are as demanding of effort as the required merit badges.
8. When alternates chosen involve physical activity, they must be approved by the physician.
9. The unit leader and the board of review must explain that to attain the Eagle Award a candidate is expected to do his best in developing himself to the limit of his resources.
10. This application must be approved by the council committee responsible for advancement, utilizing the expertise of professional persons involved in Scouting for the handicapped.

* These possible alternates are suggested to give each person involved in selecting an alternate, a list to choose from that could provide a **similar learning experience**. If, after a careful review of the requirements, it does not seem possible that the individual can meet the requirements of one of the suggested alternates, other alternates may be applied for, using this form.

It is important that unit leaders use reasonable accommodation and common sense in the application of the alternate merit badge program. This plan is designed to provide advancement opportunities for Boy Scouts, Varsity Scouts, or Explorers who are handicapped.
