

# THE POWDER HORN BLAST

## Save the Dates

The Second Powder Horn Course in Connecticut will be offered in 2004. Course Director Mark N. Carpenter, Sr. has announced that the course will be held on August 20, 21, and 22 at Camp Workcoeman AND on October 1, 2, and 3 at Camp Sequassen.

Both weekends are required, and the course is ALL day on Friday of each weekend. Registration forms are available from the Council Office and your scouting professional.

Water activities are included in this course, so swim qualification documentation will be required for each participant who wishes to participate in water activities.
