TRAIL DIFFICULTY

Note: Except the Tower Path, all trails are rocky and rough. Hiking shoes advised.
A—Hard, steep climbs; for experienced hikers.
B—Steady ascent to crest from all trailheads.
C—Mostly level, some rises.
D—Gentle climb on wide clear path.
Only the Tower Path and Blue Trail go to the Tower.

ON THE TRAIL

Two blazes or markers, one above the other, warn of turn in trail. Top blaze is offset in direction of turn.
